NEWS AND VIEWS . . .

**And What Have You**

By BOB CRAIG

We received a letter this week from State Rep. Frank Calhoun seeking the views of the people here on a number of important issues facing the legislature.

"Since the beginning of the Regular Session of the 61st Legislature in January, I have received many letters from the people of our legislative district, which consists of Jones and Taylor Counties, expressing their views on various issues now pending in Austin. These opinions have been very helpful and are greatly appreciated.

"There are many measures still pending in the House of Representatives which are of vital concern not only to the people of our district, but also to all of Texas. The survey below, which your Editor has very graciously printed as a public service, is an attempt to more fully know your feelings on these matters. Please mark your response on each issue and mail the entire clipping to my office in the Capitol.

"Thank you for taking the time to share your views with me so that I may better represent you."

Sincerely,

FRANK W. CALHOUN

The Texas Game and Fish Commission checked the Hamlin lakes this past week and found a large number of large bass in the South Lake and with the help of J.C. Caudle, lake keeper, moved six or seven that were about ready to spawn to the West Lake. The South Lake was getting so low that the men were afraid that the fish were endangered.

We have to admit that the kid who ran over the hippies in Austin that had blocked the street and heckled the drivers trying to get through was out of line and probably should be charged with assault with a motor vehicle. But we can not help but feel that he expressed the feelings of a great number of people.

If he just had not turned out his lights, and then after running a bunch of them down, backed up to get some more, he might have been better off.

And as long as the police were filing charges we wonder why they did not file charges on those blocking the street for a dance after being refused permission from the city.

HONORARY JAYCEES — Supt. C. F. Cook, left, and Mayor H. W. Madden, right, were made honorary Jaycees and presented plaques by the club president, Murl Don Smith, center, at the annual Jaycee-Jaycee-ette Awards banquet at the high school cafeteria Saturday evening.

JAYCEE-ETTE HONOREES — Mrs. Ewell Mackey, left, was installed as new president of the Hamlin Jaycee-ettes and was also named Jaycee-ette of the Year by the organization. Retiring president, Mrs. Murl Don Smith, center, made the presentation. Also honored at the Saturday evening banquet was Mrs. Harvey Lawlis, recipient of Mrs. Smith's Presidential Award, given for outstanding service during the past year.

AWARD WINNERS — Incoming president, Dan Gallagher, left, was named Key Man at the Saturday evening Jaycee-Jaycee-ette Awards Presentation Banquet in the high school cafeteria. Other award winners, left to right, front row, are Charles Brumley, Jaycee of the Year; Ewell Mackey, Hustler; Young Bill Maddox, Outstanding Project Chairman; Harvey Lawlis, Spark Plug; standing, Dan Truelove and Earnie Reusch, Appreciation Awards for their work with the Community Volleyball Tournament.

## Officers Installed, Awards Presented At Jaycee Banquet

Awards presented to outstanding Jaycees and Jaycee-ettes became flashbacks of the clubs' many projects carried out during the past year when retiring Jaycee president, Murl Don "Skipper" Smith, and Mrs. Smith, retiring Jaycee-ette president, announced the recipients at the annual Installation and Award Banquet Saturday evening at the high school cafeteria.

Dan Gallagher, incoming president, was presented the Key Man award. Charles Brumley received the Jaycee of the Year Award as the outstanding first year man.

Ewell Mackey was given the Hustler award. Harvey Lawlis, a three year member who attended state and area conventions and added three new members, was named Spark plug award winner.

Young Bill Maddox was named Outstanding Project Chairman for his leadership in the Christmas project when toys were repaired and distributed to worthy children and Christmas trees and decorations were placed in homes where needed.

Special awards of appreciation were given to Dan Truelove and Earnie Reusch, origi-

nators of the Community Volleyball Tournament. In making the presentation, Smith said, "When they suggested it, we thought they were crazy, but we were willing to try it. They have done a tremendous job and we have had three successful tournaments . . . and it is helping to make payments on the building."

The building Smith referred to is the Jaycee Community Building built by the Jaycees some three years ago which is used by the community for club meetings, stock shows, family reunions, Scout Fairs, and many other public gatherings.

Smith named Foster Cook, superintendent of Hamlin Schools, and H. W. Madden, Hamlin mayor, honorary Jaycees and presented each with a plaque.

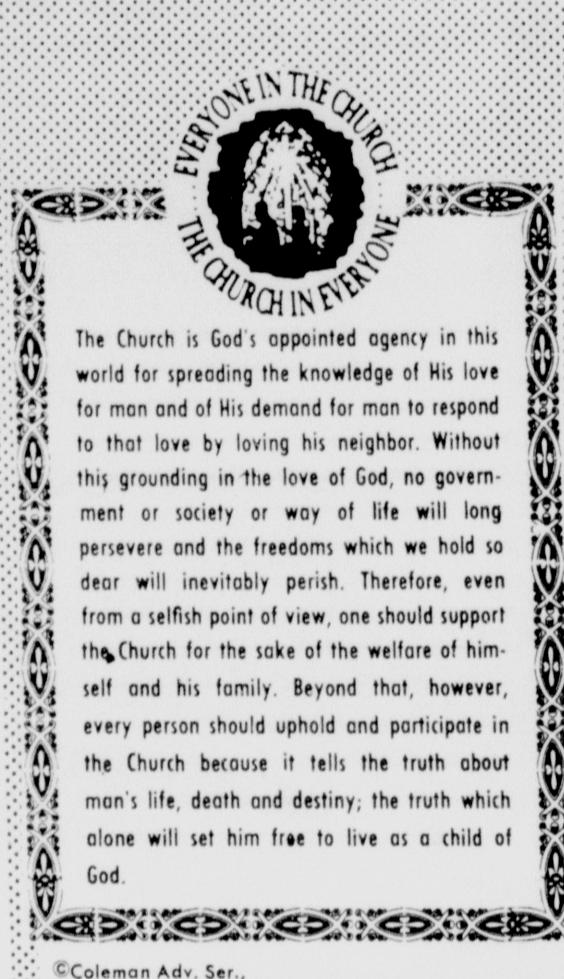

Mrs. Ewell Mackey, incoming Jaycee-ette president, was named Jaycee-ette of the Year by the membership. Mrs. Smith made the presentation and also gave a presidential award to Mrs. Harvey Lawlis, an active member who attended state and area conventions and was chairman of the club's spring fashion show.

## ...and God bless Mother

This little one is aware of his mother's tender care, and responds with love. It would be wonderful if all of us showed our love for our Mothers all of the time. Even if we have been a little neglectful, we have an opportunity to go all out this Sunday, and express to her our love and appreciation for her goodness to us. The Bible tells us to "Honour thy Father and thy Mother."

On this special Mother's Day attend church and share in celebrating this time with others.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

**Lodge Administrator Tells of National Nursing Home Week**

Dear Editor:

I write this letter to inform your readers that National Nursing Home Week begins May 11, and runs through May 17.

As you know, Mother's Day, is May 11, and this is a particularly appropriate for the first day of National Nursing Home Week because two out of three of the Nation's 700,000-plus nursing home patients are women, many of whom have outlived family and friends.

The theme for National Nursing Home Week is "A Better Life through Com-

munity Concern."

Participating nursing homes want residents of our community to show their concern by making this visit to a nursing home on Mother's Day. There are several reasons for this.

First, and most important, they want people to visit the nursing home patients. No matter how much care is offered, no matter how much staff concern there may be for the individual patient, no nursing home can show a patient that the community is concerned unless the community really is concerned. No one likes to be forgotten, but this is especially true for someone who is aged, infirm and, perhaps, all alone in the world. After years of living in the community, after years of devoting their energies to making the community a better place in which to live, they now need the community.

Secondly, participating nursing homes want the community to see firsthand what a nursing home does. For many of all ages, the nursing home is a half-way house between hospital and home. But for others, the nursing home has become "home" in the fullest sense of the word.

Sponsor of National Nursing Home Week is the American Nursing Home Association, representing some 7,200 nursing homes with almost 400,000 beds in 49 states. The Texas Nursing Home Association of which HOLIDAY LODGE is a member, is affiliated with the national association. We strongly urge that residents take a little time out from their normal routine this Mother's Day to spend ten or fifteen minutes with a nursing home patient. Visitors will have a good time and they'll learn a little something. Most important, they'll have a good feeling knowing they brought the pleasure of a friendly visit to those who need to know that they have not been forgotten by their community.

Sincerely,  
Thomas R. Newland  
Administrator, Holiday Lodge

Hamlin High Happenings

Students at HHS are really beginning to anticipate the ending of school and summer vacation. With only three more weeks of school only big hurdles left to cross are final tests May 22 and 23. hhs

Five HHS students attended the State FHA Convention in Dallas, May 2-3. They were Jo Lynn Johnson, Jana Ferguson, Jan Young, Marcia Steele, and Latrese Williams. Jo Lynn received her state Degree of Achievement and Marcia and Latrese were members of the state chorus. Miss Marilyn Van Derbur was speaker for the event. hhs

The annual Student Council carnival was held last Friday night on the Hamlin High School patio and in the cafeteria. Various booths were set up by many of the school classes and organizations. After the booths were closed, the Student Council sponsored a program in the cafeteria. Mr. Harold Williams, retired science teacher, played his harmonica for the group.

New officers of the Hamlin Chapter of the Future Homemakers of America were installed in the home of Mr. and Mrs. Johnny Bryant Monday night. Those installed were Marcia Steele, Jana Ferguson, Peggy Jones, Judy Adair, Wendy Russell, Jan Young, Marsha Hester, Sharon Hastings, Debbie Hardaway and Latrese Williams.

Student Council members met last week to discuss a new method of electing officers and representatives. Officers, to be elected May 15, must file a petition for election signed by twenty students and three teachers. Campaign speeches will be made during the morning of May 15 and voting will be that afternoon. Gary Smith, Bill Hodnett, Peggy Jones, Marcia Steele, Debra Brown, Tony Lewis, Debbie Meyner, and Rodney Rackley are running for offices. Next fall, when school starts, each class will be given a chance to elect four representatives to serve on the Student Council.

Sincerely,
